LOCAL HALLOWEEN **SOBERRIDE SUCCESS**

LOCAL PROGRAM REMOVES 'WOULD-BE DRUNK DRIVER EVERY 77 SECONDS' LAST NIGHT

Washington, D.C., Nov. 1 – Last night's Halloween *SoberRide* program provided 374 free cab rides home to would be drunk drivers in the Washington-metropolitan area.

Provided by the nonprofit Washington Regional Alcohol Program (WRAP), the Halloween *SoberRide* program began last night (Halloween) at 10:00 pm and continued until 6:00 am today as a way to keep local roads safe from impaired drivers during this traditionally high-risk, holiday period.

“For SoberRide’s hours of operation this Halloween, this translates into the removal of a would-be drunk driver from Greater Washington’s roadways every 77 seconds,” said Kurt Gregory Erickson, WRAP’s President.

During *SoberRide*’s eight-hour period this Halloween, area residents celebrating with alcohol could call the toll-free *SoberRide* phone number 1–800–200–TAXI and be afforded a no-cost (up to a \$ 50 fare), safe way home. AT&T wireless users could call #-TAXI for the same service. Local taxicab companies throughout the Washington-metropolitan area provided this no-cost service to local residents age 21 and older who otherwise may have attempted to drive home after drinking.
