NEARLY 800 USE SOBERRIDE **ON NEW YEAR'S**

LOCAL ANTI-DUI EFFORT REMOVES 787 'WOULD-BE DRUNK DRIVERS' FROM GREATER WASHINGTON'S ROADWAYS

Washington, DC, Jan. 1 – Seven-hundred-and-eighty-seven (787) persons in the Washington-metropolitan area used the free cab ride service, *SoberRide*, last night (New Year's Eve) as opposed to possibly driving home drunk.

“For its hours of operation, this level of ridership translates into SoberRide removing a would-be drunk driver from Greater Washington’s roadways every 37-seconds this New Year’s Eve,” said Kurt Gregory Erickson, President of the Washington Regional Alcohol Program, the McLean, Virginia-based, non-profit organization conducting the region’s *SoberRide* effort.

WRAP’s most recent holiday *SoberRide* offering – which concluded at 6:00 am this morning after kicking-off and running nightly since December 7, 2007 – provided 2,510 total, free cabs rides to local residents age 21 and older who otherwise may have attempted to drive home after drinking.

This most recent holiday *SoberRide* program operated between 10:00 pm and 6:00 am each evening over this more than three-week period as a way to keep local roads safe from impaired drivers during this traditionally high-risk, holiday period. During that time, Washington-metropolitan area residents celebrating with alcohol could call the toll-free *SoberRide* phone number 1-800-200-TAXI and be afforded a no-cost (up to \$ 50 fare), safe way home. (AT&T wireless customers could call #-TAXI for the same service.)

Last night’s ridership represented the second-highest for *SoberRide*’s history of New Year’s Eve offerings (following 2002’s record 808 rides provided on that year’s New Year’s Eve evening).

Since 1993 alone, WRAP’s *SoberRide* program -- a past recipient of Virginia’s Governor’s Award for Transportation Safety -- has provided 40,626 free cab rides to would-be impaired drivers in the Greater Washington area.

SoberRide was offered in the: District of Columbia; throughout the Maryland counties of Montgomery and Prince George's; and throughout the Northern Virginia counties of Arlington, Fairfax, (eastern) Loudoun and Prince William.

Sponsors of the 2007 Holiday *SoberRide* campaign included Anheuser-Busch, AT&T, Enterprise Rent-A-Car Foundation, GEICO, Giant Food Inc., Red Top Cab and the Washington Area New Automobile Dealers Association.

Participating taxicab companies included: Alexandria Yellow Cab, Barwood; Fairfax Yellow Cab; Loudoun Yellow Cab; Manassas Cab Company; Red Top Cab; Silver Cab of Prince George's County; Taxi Transportation Services; and Yellow Cab of Prince William County.

Founded in 1982, the Washington Regional Alcohol Program is an award-winning public-private partnership working to prevent drunk driving and underage drinking in the Washington, D.C. metropolitan region. Through public education, innovative health education programs and advocacy, WRAP is credited with keeping the metro-Washington area's alcohol-related traffic deaths consistently lower than the national average.
