Commemorating its 35th year in 2017, the nonprofit [501(c)(3)] Washington Regional Alcohol Program (WRAP) is a coalition of diverse interests using effective education, innovative programs and targeted advocacy to end alcohol-impaired driving and underage drinking in the Washington, DC metro area. Through public education, innovative health education programs and advocacy, WRAP is credited with historically keeping the metro Washington area's alcohol-related traffic deaths lower than the national average.

WRAP, however, may best be known to area residents via the organization's popular free safe ride service for would-be drunk drivers, SoberRide® – a public safety initiative which, since 1993 alone, has provided 67,991 no-cost, safe rides home to Greater Washington residents who otherwise may have driven drunk.

Don't forget about WRAP's SoberRide® program this Halloween. If you're age 21 or older and going to be celebrating with alcohol between the hours of 10:00 pm on Saturday, October 28, 2017 and 4:00 am on Sunday, October 29, 2017, visit www.soberride.com to download Lyft to your phone, then enter the site's special Halloween code in the app's "Promo" section to receive a no cost (up to \$15) safe transportation home. Certain restrictions apply.

(In March 2017, WRAP announced a partnership with the ridesharing service Lyft to provide WRAP's SoberRide service in the Washington-metropolitan area through 2017. SoberRide, the popular free safe ride service to prevent drunk driving, is now solely available via the Lyft mobile app ridesharing platform.)

See www.soberride.com for more details.
