Commemorating its 37th year in 2019, the nonprofit [501(c)(3)] Washington Regional Alcohol Program (WRAP) is a coalition of diverse interests using effective education, innovative programs and targeted advocacy to end alcohol-impaired driving and underage drinking in the Washington, DC metro area. Through public education, innovative health education programs and advocacy, WRAP is credited with keeping the metro-Washington area's alcohol-related traffic deaths historically lower than the national average.

WRAP, however, may best be known to area residents via the organization's popular free safe ride service for would-be drunk drivers, SoberRide® – a public safety initiative which, since 1991 alone, has provided 78,926 free safe rides home to Greater Washington residents who otherwise may have driven drunk.

Don't forget about WRAP's SoberRide® program this holiday season. If you're celebrating with alcohol between the hours of 10 pm and 4 am on the evenings of December 20, 2019 through January 1, 2020, visit SoberRide.com to find out how to be afforded a free (up to a \$ 15) safe ride home via SoberRide® partner, Lyft. (Must be 21 or older to use this service.)

See www.SoberRide.com for more details.
