**F**ounded in 1982, the nonprofit [501(c)(3)] Washington Regional Alcohol Program (WRAP) is an award-winning public-private partnership working to prevent drunk driving and underage drinking in the Washington-metropolitan area. Through public education, innovative health education programs and advocacy, WRAP is credited with helping to keep the annual percentage of metro-Washington traffic deaths involving alcohol-impaired driving historically lower than the national average.

WRAP, however, may best be known to area residents via the organization's popular free safe ride service to prevent drunk driving, SoberRide® – a public safety initiative which, since 1991 alone, has provided 91,504 free safe rides home to Greater Washington residents who otherwise may have driven drunk.

---

**SoberRide®** Don't forget about WRAP's SoberRide® program this holiday season. If you're celebrating with alcohol between the hours of 10 pm and 4 am on the evenings of December 13, 2024 through January 1, 2025, visit [SoberRide.com](http://SoberRide.com) to find out how to be afforded a free (up to a \$ 15) safe ride home via SoberRide® partner, Lyft. (Must be 21 or older to use this service.)

See [www.SoberRide.com](http://www.SoberRide.com) for more details.
