Law Enforcement Awards of Excellence for Impaired Driving Prevention — WRAP

Photos from WRAP's 2025 Law Enforcement Awards

Founded in 1982, the nonprofit [501(c)(3)] Washington Regional Alcohol Program (WRAP) is an award-winning public-private partnership working to prevent drunk driving and underage drinking in the Washington-metropolitan area. Through public education, innovative health education programs and advocacy, WRAP is credited with helping to keep the annual percentage of metro-Washington traffic deaths involving alcohol-impaired driving historically lower than the national average.

WRAP, however, may best be known to area residents via the organization's popular free safe ride service to prevent drunk driving, SoberRide® – a public safety initiative which, since 1991 alone, has provided 107,244 free safe rides home to Greater Washington residents who otherwise may have driven drunk.

SoberRide® Don't forget about WRAP's SoberRide® program this holiday season. If you're celebrating with alcohol between the hours of 10 pm and 4 am on the evenings of December 18, 2026 through January 1, 2027, visit SoberRide.com to find out how to be afforded a free (up to a $ 15) safe ride home via SoberRide® partner, Lyft. (Must be 21 or older to use this service.)
